

The coaching staff and the Antioch Sequoit basketball players want to thank all the Sequoit fans for attending the Holiday Tournament at Rockford.

Your fine support and enthusiasm help to make this tournament possible. Because of your support we have been invited back to Rockford for next year.

We would like to thank those fans who helped the team during our transportation problem on Friday, also.

Thank you, Antioch Sequoit Fans.

YOU ARE THE GREATEST.

The Basketball Coaches and Players

Glenna Burns Is ACHS Good Citizen

The 1967 winner of the D.A.R. Good Citizens Award at Antioch Community High School is Glenna Burns.

Glenna is the daughter of Mr. and Mrs. Robert Burns, 401 Winsor Drive, Antioch. She plans to attend the University of Wisconsin after graduation from ACHS, with her eye on Occupational Therapy as her major field of endeavor. Most of her time is spent at present with varsity cheerleading at ACHS, but she also finds time to skate, swim, knit, sew and watch all kinds of sports activities.

The D.A.R. Good Citizens Award is sponsored by the National Society Daughters of the American Revolution. The DAR will honor one girl from each of the fifty states, selected from the senior classes of public Senior High Schools. Selection is made on the basis of the following qualities which determine good citizenship: Dependability (truthfulness, honesty, punctuality); Service (cooperation, helpfulness, responsibility); Leadership (personality, self-control, initiative); and Patriotism (unselfish loyalty to American ideals).

The aim of the project is to pay tribute to youthful character and to call attention to those qualities which are desirable in good citizens. It is not a popularity contest.

The National Association of Secondary School Principals has placed this activity on the approved list of National Activities and Activities for 1966-67.

The students of the senior class select three girls by vote who they believe are best qualified as good citizens on the basis of the four points above. From the three, the faculty is asked to select one girl to represent the school.

The winning girl in each state will receive a Government Bond of \$100 value or a \$75 scholarship at the college of her choice from the DAR.

The National Society of the DAR gives a \$1,000 scholarship to the National Good Citizen winner. A \$25 Savings Bond is given to

Glenna Burns

the winner in each of the seven Illinois DAR divisions. Two \$25 attendance awards are presented at Illinois State Conference.

The Good Citizen selected by each high school will receive a pin and certificate of award.

C.D. Program Is Approved

Antioch's Civil Defense program is now fully approved by the State Civil Defense Agency.

A letter to Edward Frazier, Antioch's Civil Defense Director, from Aaron M. Lazar, coordinator for the Northeast Illinois Mutual Aid Area, informed Mr. Frazier that the conditional accreditation had been removed and the program fully approved.

The accreditation is valid for the remainder of the fiscal year. Among other things, it means complete approval of the proposed Civil Defense siren.

The siren will be used in all emergencies and possible disasters, such as for tornado warnings.

AFS Looking For Host Family

The American Field Service, Antioch Chapter, will meet at 8 p.m. in Room 108 at the high school Thursday,

Start Plans For Celebration

Illinois will celebrate its 150th year of statehood in 1968. A state-wide, year-long celebration is planned.

So that Lake County can actively participate in this Sesquicentennial celebration, planning will begin now. An organizational meeting will be held at 8 p.m. January 11 at Libertyville High School. All persons interested are invited to attend.

The State of Illinois has established a Sesquicentennial Commission with a \$500,000 budget. The Lake County Board of Supervisors has established a committee to organize and assist in planning Lake County's participation.

The celebration is to take on world wide significance with promotional material being prepared for distribution to encourage tourism during the Sesquicentennial year. A U.S. commemorative postage stamp and coin are to be issued.

The Sesquicentennial will coincide with celebration of Antioch's 75th anniversary.

Chamber Sets Date For Dinner Dance

The Antioch Chamber of Commerce has scheduled their annual dinner dance and installation of Officers for Saturday, Jan. 14, at Lorenz's Smart-Country House.

Cocktails will be served at 6:30 p.m.; with dinner at 7:30. Music for dancing will start at 9 p.m., provided by the Scotch Lads.

The dinner dance is open to the public. Tickets can be obtained at the Chamber office, the First National Bank or the State Bank of Antioch, or from any of the Chamber directors.

Dale Starkey is chairman of the affair.

Survey Results Show Public's Interests

Antioch Community High School recently ran an Adult Education survey in several local papers to find out which courses the public would be most interested in.

The survey was the first of its kind at ACHS. It was an attempt to discover the needs and interests of the community.

Construction Drops In Antioch

Construction in Antioch dropped slightly in 1966 for the second consecutive year.

Total construction in Antioch in 1966 was \$732,395. The total cost of construction in 1965 was \$739,073, and in 1964 amounted to \$870,655.60.

Included in this year's total were 15 one-family houses at \$251,460; one four-apartment building, \$30,000; one church, \$43,910; five residential garages and carports, \$7,840; three service stations and garages, \$126,500; two bank, office or professional buildings, \$45,000; and one store (the A&P) at \$137,000.

The figures were compiled by Clarence Shultis, village clerk.

Jan. 5 (today).

The AFS is still looking for a family who will supply a home for next year's foreign student. Anyone interested is invited to attend tonight's meeting.

Thirty responses, with 101 course selections, were received. The most popular offering was Rapid Reading, followed by Conversational Spanish, knitting and sewing. Other courses which had some following were Speed-writing, Physical Fitness and Recreation, Art, Know Your Car, and Preparation for the General Educational Development Test for High School Diploma equivalency.

There were 32 choices on the form and all received at least one vote and six more offerings were suggested by those who responded.

Another choice the community could indicate was whether most of these courses should be operated so that high school credit, where applicable, could be given. Only three responses were favorable to this plan.

The survey was conducted by Arthur E. Blecke.

Hurt In New Year's Eve Accident

An accident on Beach Grove Road Saturday night injured Nels Nielsen, 41, of 60 Henning Court Saturday. Nielsen was taken to Victory Memorial Hospital.

Nielsen was a passenger in a car driven by Daniel Hartmann, 1077 Hillside Ave., Antioch. The car reportedly fish-tailed and went into a ditch, striking a utility pole. The accident happened about 9 p.m.

Hartmann was cited for driving too fast for conditions.

VOL. LXXXI, NUMBER 28

Re-Zoning Petition Denied By Village Board

The village board Tuesday night accepted the recommendation of the Zoning Board to deny the petition for rezoning of property on the northwest corner of Main St. and 2nd Ave.

Charles Keulman had asked the zoning board to rezone the lot from R2 to R5 for construction of a multiple family dwelling. The village board approved the zoning

board's recommendation by a vote of 5 to 1. The zoning board reported that the vote to deny the petition had been 3 No, with two board members not voting. The two who had not voted, the chairman reported, had said that they might have voted in favor of the petition had more information been presented by the petitioner. Specifically, they said that

the petitioner should have presented a survey of the real estate, off street parking plans and complete plans of the proposed building.

Keulman said that sale of the property was assured if he could get the zoning changed. The purchaser, he said, proposed to build a 4-apartment building on the 60' x 165' lot.

Keulman said that three persons had objected to the

re-zoning at the hearing, on the grounds that it would depreciate the value of their nearby property. He said that he felt the construction of the building would enhance the value of the property, and that ground-floor apartments are needed in Antioch. He cited the waiting list for such apartments as an example of the need.

Keulman also pointed out that although the lots are zoned for one-family dwellings, no new one-family homes have been built on Main St. for several years. It's a thoroughfare now, he said, and all new construction has been offices and apartment houses.

After the board voted to accept the decision of the Zoning Board, Mayor Ray Toft pointed out to Keulman that he would have to re-submit his petition to the Zoning Board in order to get the property re-zoned. Attorney Ed Jacobs was instructed to determine the legal period after which the petition could be re-filed.

ACCEPT FIRE TRUCK BIDS

The committee recommended that the low bid of Olson Implementers of \$6,910 for the chassis of the fire truck be accepted, and the low bid of Peter Persch Co. of \$15,980 on equipment be accepted. The board approved the recommendation.

The board approved payment of \$1,996 to Motorola for radio equipment at the Police Station. They also approved transfer of \$1,623 for snow removal for the month of December from motor fuel tax funds to the Road and Bridge Fund.

Mayor Toft read a letter from the Antioch Chamber of Commerce expressing their approval of the new, brighter lights on Main St., and the installation of lights behind the stores on the east side of Main St.

Water Main Extension

Village Engineer Frank Angelotti presented plans for the new water main to Willowdale Dairy and reported that the main will have to run across property owned by Pickard China. Public Works Superintendent Edgar Simonsen reported that Corona Ave. had never been dedicated. Mayor Toft said he would contact Pickard China owners in regard to dedicating the street.

Pickard Employees Share Profits

Pickard, Inc., Antioch manufacturer of fine china, has just announced a \$16,000 contribution to its Employees Profit Sharing Trust for the year 1966. According to Henry A. Pickard, Jr., President, this is the largest contribution which the company has made to this fund.

The trust has been in existence since 1961. Employees become eligible to participate at the start of the first calendar quarter after completing two years of continuous service. The amount of the company contribution which is credited to each employee's account is determined by a formula based partly on the employee's earnings and partly on seniority.

Snow Storm Causes Minor Accidents

William Meister, 63, of Rt. 1, Antioch, was injured but not hospitalized last Wednesday when his station wagon rammed a utility pole on Route 12 south of County Line Road in Grant Township.

Meister said his car skidded on the icy pavement. Many minor accidents were reported during last Wednesday's snow storm.

February 15 Deadline For 1967 Plates

Midnight Wednesday, February 15, will be the deadline for displaying 1967 motor vehicle license plates. Secretary of State Paul Powell has announced.

Mr. Powell urged motorists applying for their licenses by mail to do so without delay, and to allow at least two weeks for processing of their applications and delivery of the plates. He pointed out that plates are fourth class mail and are not moved by the post office as fast as first class mail.

He emphasized that February 15 is a deadline for having the plates mounted on the vehicles; not merely applied for, or even resting on a table at home.

Plates may be purchased at two Secretary of State's office outlets in Springfield and three in Chicago.

In Springfield, the over the counter service units are located in the Centennial building and at Ninth Street and South Grand Avenue. In Chicago, the Motor Vehicle Facilities are located at 5301 West Lexington Street, 9901 South Parkway and 5401 North Elston Avenue.

218 Places Of Business In Antioch

Statistics recently released by J. J. Grenner, District Manager of the Chicago office of Dun & Bradstreet, reflect the activity of the business population in Lake County during the past year. The figures show that a total of 3,487 man-u-facturers, wholesalers and retailers operated in Lake County during 1966.

Dun & Bradstreet list 218 businesses in Antioch; 118 in Fox Lake; 82 in Lake Villa, and 123 in Grayslake.

The Dun & Bradstreet Reference Book lists all manufacturers, wholesalers, and retailers who seek or grant commercial credit. It does not include some of the service and professional businesses such as beauty and barber shops, security dealers and real estate brokers.

During the past year, 1,499 changes were made in the Dun & Bradstreet Reference Book listings of Lake County businesses, including names added, names deleted, and changes in the ratings of continuing businesses.

What Price Snow?

The Antioch Chamber of Commerce congratulated the Public Works Department on the excellent job of snow removal in the village after the recent heavy snow storm. It was reported at Tuesday night's meeting of the village board.

Here are some figures compiled by the Public Works Dept. which will give you some idea of just how big a job snow removal is. In the month of December, 230 man hours were spent in snow removal; 160.70 tons of sand were used for street sanding; 8.17 tons of salt were used on village streets.

Total cost of snow removal for the month was \$1,623.

May 3 Target Date For Crossing Lights

Unless the Soo Line railroad gets an extension of the time limit imposed by the Interstate Commerce Commission, automatic signal lights should be installed at the railroad crossing on Ida St. by May 3.

The date for completion of the installation was set by the commission after the hearing last year. Antioch carried out its part of the order by having the crossing in shape by January 1.

According to the order of the Commission, the railroad had to file a report of its plans and progress on the work by Jan. 1, 1967. If an extension of time is granted, the village will be notified, according to Attorney Edward Jacobs.

Cost of the warning lights and bell was estimated at \$10,400. The State would pay 70% of the cost, the Village 20% and the Soo Line 10%.

Mail Box Damage Federal Offense

Mailboxes are protected by Federal law, and pranks (or vandals) who damage or destroy the boxes and their contents may be in for a heavy fine or imprisonment, Postmaster Wolf warned today.

The Postmaster noted that some 25,000 mail receptacles were damaged or destroyed in the past year. It was also noted that 2,641 persons were arrested in the year up to June 30 for damaging or destroying mail receptacles.

Postmaster Wolf quoted from the law: "Whoever willfully or maliciously injures, tears down or destroys any letter box or other receptacle

intended or used for the receipt or delivery of mail on any mail route, or breaks open the same or willfully or maliciously injures, defaces or destroys any mail deposited therein, shall be fined not more than \$1,000 or imprisoned not more than three years."

This applies to all mail receptacles and the main in them, even though the boxes are bought by citizens and are their personal property. Postmaster Wolf emphasized. "Pranksters—and especially children who do not know any better—should be made to realize the seriousness of their actions," the Postmaster said. "A \$1,000 fine or a term in jail is enough to take the humor out of any pranks."

Often the mailbox damage is the work of youths, who do it for "kicks." And the courts have shown little sympathy for this youthful means of expression. In Michigan, a justice sentenced two 18-yr-olds to 10 days in jail, including two on a diet of baby food. The diet specification, explained the judge, was because the youths "acted like babies." They were also fined \$25 each plus \$15 costs.

In New York state, five youths were fined \$25 each plus restitution or restoration, plus no driving for an E. H. Glenn, Inc., Lloyd Miller, Mrs. H. Rhymer and Mr. E. H. Glenn, Inc., Lloyd Miller and Mrs. C. Wikoff, Frank J. Toman Family, Esther Jacobson, Emil Frozeth, Henry Apostol, Tom and Mary Haviland, Feller's Association, Dr. and Mrs. W. W. Doty.

EDITORIAL

Don't Fence Me Out

The President's Council on Physical Fitness has launched a campaign that school administrators will certainly be watching with misgivings.

The campaign has a very catchy slogan—"Don't Fence Me Out". And its object is to make school facilities—gyms, playing fields, running tracks and whatever other facilities may be available—to all of the public all of the time. Or, presumably, during the hours when those facilities are not being used by students.

It has always seemed to us that it's too bad that these expensive facilities should lie idle when they could be put to good use. Channel Lake School is one of the best local examples of this sad waste to come to mind. While the gates of the school yard stay locked and the expensive recently-built gym lies idle, the children and teenagers of the area have no playground, and could certainly make good use of the gym's facilities. So could a good many adults.

The reason for this waste, of course, is the unwillingness of school boards to assume responsibility for seeing that use of the facilities is supervised, and the matter of running into lawsuits if someone were injured on the grounds. Or perhaps it's the unwillingness of school boards to pass the responsibility on to the taxpayers, who would eventually have to shoulder such expense.

President Johnson says, "Tomorrow's school will be the center of community life, for the grownups as well as the children: a 'Shopping center of human services'." It might have a community health clinic, a public library, a theater and recreation facilities."

Well, why not? It's not a new idea at all, really. In early days, the school was truly the center of community life. It was quite often the only public building in town, and was used for public gatherings of all kinds. Everyone paid to support the school, and everyone used it.

Such use is not quite so simple these days, with both communities and the schools much larger. It's not easy to fix blame for damage, and there is much more equipment on hand that can be damaged.

Such widespread use of school buildings and facilities might help to solve one of the biggest problems we have today—the disinterest of most parents in the local school. More chance for contact with the school, more familiarity, might naturally lead to a greater interest on the part of parents in the school their children attend.

Perhaps, if use of the schools was available to all responsible groups, there would be less vandalism that now costs the taxpayer plenty.

Letting expensive school facilities lie idle while we search for a way to raise money to get young people off the streets is an expensive waste. Maybe, somehow, a way can be found to again open use of the schools to those who really own them—the taxpayers.

Buy A Crutch

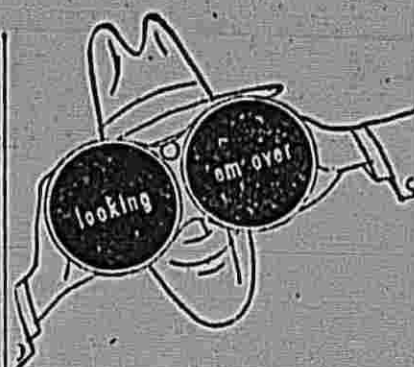

Antioch teens will be turning out on Saturday, January 7th, to raise funds for the fight against Birth Defects. Our young people are throwing their support behind the March of Dimes to help combat the number one disabler of children.

The special Teen Age March of Dimes Project is the annual "Blue Crutch Day", and you can expect to see plenty of smiling young faces that day, greeting you on street corners and at shopping centers. They'll be selling miniature blue crutch lapel pins for contributions to help maintain March of Dimes programs of research, education, patient aid and Birth Defect Centers.

The Student Council of Antioch High School will be in charge of "Blue Crutch Day" in Antioch. It's only a couple of weeks since these busy youngsters made up and delivered baskets of Christmas food to needy families in the area.

Sometimes we get discouraged and appalled by the stories of vandalism committed by young people. Incidents like the senseless, infuriating wrecking of Christmas displays. Then along comes something like Blue Crutch Day, to remind us that most people, including the teen-age set, are thoughtful, responsible citizens. It takes only two or three of the "bad apples" to wreck a Christmas display. It takes many hard-working teen to build up a fund to help the sick and crippled. Thank Heaven, there are still many more builders than wreckers.

Show your support of the efforts of our young people by wearing one of their blue crutch lapel emblems.

By Pearl Kapell

Sunday is the annual ice fishing Derby put on by the Northern Illinois Conservation Club. The NICC's Derby has drawn huge crowds every year, with anglers coming from Chicago, McHenry County, northern Wisconsin and even farther afield to try their luck and win some prizes.

The Derby's received a lot

of publicity in Chicago papers as well as local ones, a good deal of it due to hard work on the part of publicity chairman Harry Stern. It's a natural for publicity, a sporting event of interest to the growing numbers of ice fishermen as well as to the public, and sponsored by an active not-for-profit organization.

This is the sort of publicity that organizations, towns and the whole state of Illinois is spending dollars to promote. Illinois' Tourism program is planned promotion of events and places that might interest people who are looking for places to go and things to do.

Harry Stern has a dream about the Ice Derby, a dream that sees it as the nucleus of

Courthouse Notebook

BY LOU DUKIN

The passing of 1966 also marks the passing of a turbulent political year in Lake County with some unusual developments which will provide a hangover for some politicians as devastating as those they suffered through while watching all those football games on television over the weekend.

Probably the most important political action as far as Republicans are concerned was the precedent-setting slating of party candidates in the 1966 primary.

This action had been discussed by party activists for several years as a means of creating greater unity and harmony and doing away with the often bitter primary battles which frequently carried over into the general election.

Despite plenty of advance notice the action caught many people unawares and there was considerable acrimony and complaining after GOP County Chairman Robert J. Milton maneuvered the plan through a Republican county conclave.

The convention at which candidates were slated was much milder than was anticipated and the big surprise was the ease with which the nominees won their endorsements.

Particularly surprising was the first ballot slating of Harold Scheskie for Sheriff.

Chief Deputy Norris Froelich had been a pre-convention favorite because he was the candidate of Sheriff Charles Larson and the Sheriff's office had always carried a big clout, particularly with the precinct committeemen, but Scheskie's work paid off and he won handily.

Milton, who presided over the convention, was nominated for County Treasurer by the committeemen, but a rebellion developed and non-regulars rose to the support of Deerfield Assistant Supervisor Ray Sheahan, of Highland Park, who won the primary and the general election.

County Clerk Garfield R. Leaf announced his retirement shortly before the primary and Truman Gerretsen, a veteran staffer, won the convention nod over former Coroner Robert H. (Mickey) Babcox in the most hotly contested of the balloting.

As usual there were numerous groups planning to unseat Milton as chairman of the Central Committee with most support going to E. Kenny Harlan, assistant supervisor from Shields Township, but on the eve of the party convention he withdrew and Milton won without opposition.

The Democrats provided some news when State Representative William Hartnett, considered a shoo-in for reelection, withdrew from the race after being nominated in the primary and Fox Lake Mayor Joseph Armondo was nominated to take his place on the ballot.

Armondo's belated entrance paved the way for a victory for North Chicago Police Chief John Matijevich.

The year marked the return to the legislature of W. J. Murphy, but the Antioch resident fell short of his goal of regaining his former position as House Majority Leader, a post he held until purged by Charles Percy, Richard Ogilvie, former Cook County Sheriff, State Treasurer W. J. Scott and the Field newspapers in Chicago.

A far-reaching development was the establishment of the Sheriff's Merit Commission, a bi-partisan board

ALONG THE WAY with Annie Mae

Back to Normal

With the holidays officially over and children back in school, it's kind of sad to drive down the street and see all the discarded trees that brought such pleasure to so many.

New Year's Eve brought out the party spirit in everyone, with over 600 reservations at Lorenz's being the biggest party in the area. There were many house parties too numerous to mention.

The bowling tournament for the Junior and Bantam leagues held last Monday

a winter carnival to promote the area. So far, he hasn't been able to get anyone interested.

Seems as though there's a kernel of a very good idea there. Winter sports are becoming as popular as summer sports used to be. Skiing, skating, tobogganing, ice fishing—they're the 'status' hobbies now. And we're right in the middle of an area just made for all of 'em.

And we have a running start with an Ice Derby that's already very well known.

will certainly have some going to the State Tournament again.

Attention Nimrod!

The Conservation Club's annual Fishing Derby is this Sunday. Don't forget! Maybe you'll be a lucky winner.

And peace on earth, good will toward men.

'Tis not in man to know the way of life.

Who blindly scorn the great Creator,

And bow in vain to gods and idols.

"For God so loved the world, That He gave his only begotten Son,

That whosoever believeth in Him

Should not perish, but have eternal life."

Ne'ry a man hath seen our God,

E'en though through space they glide.

For God is a quickening Spirit

Expressed in the image of His Son!

Brief was His sojourn with

men,

And too often we esteemed Him not.

But through the decades many have found

Solace and strength in His spoken Word—

"I am the Way, the Truth, and the Life."

By the grace of God we start a new year.

Men greet one another a good wish for the year.

But greater love hath no man than this,

Christ laid down His life for our misdeeds,

And covered our guilt with His own blood.

They that believe, now find a new lease

On this mortal life—new joy and new peace.

Letters to the Editor

120 Eastview Drive
Normal, Ill. 61761
Dec. 19, 1966

Editor NEWS
Antioch, Ill.

Someone sent me a booklet, "J. William Fulbright, Freedom's Judas Goat." For those who came in late, a "Judas goat" is a creature used to lead sheep to their death in the slaughter-house. Once the sheep are past the point of no-return, the goat scampers back to head up another line of sheep on their one-way trip. He betrays a trust, hence the name.

I do not know if the title is appropriate. But I do believe that many of Fulbright's statements give aid and comfort to the enemy.

Fulbright spoke recently at Johns Hopkins University where he praised Castro's regime in Cuba. He said Cuban children now get a quart of milk a day. What he did NOT say was that NO ONE over age 7 can buy any milk at all—except a quart per family every 15 days.

Fulbright also praised "full employment" in Cuba. He is correct. Slaves are always fully employed. Refugees fleeing Cuba tell of unbelievable slave conditions there—women and children doing hard physical labor 12 to 15 hours a day, without any pay and little food. Wonder why Fulbright doesn't ask refugees to testify before his committee—and make it a public hearing as he does on Vietnam?

If Castro is so popular and such a great humanitarian, why has he already executed more persons than were guillotined in the entire French Revolution? Why does he draw 7 to 10 pints of blood from condemned men before shooting them? Why are some 70,000 political prisoners now rotting in his jails? Why has he already executed thousands of men, women and children—whose only "crime" was to flee Cuba in small boats? Why have proportionately more people fled Cuba than from any other Red country? And why didn't they leave before Castro took over—Cubans have always been permitted to enter the USA without a quota.

I can overlook a goat betraying his fellows. But why should a powerful U. S. Senator use his office to make communism appear so much better than it really is? Intentionally or not, such talk serves only the grease the chute down which our great country is plunging toward the bottomless pit of national oblivion. And with it goes every one of the freedoms that made us the envy of the world.

Morris H. Banner

Alice In Dairyland At Salem Central

Jo Ann Cupery, Wisconsin Alice in Dairyland, will visit Salem Central High on Jan. 9 about 1:20 p.m.

Alice has a wide range of experience as a working girl. She has been active in church work, has worked as a waitress, as a factory worker, as a counselor and nurse at Camp Wabec for the handicapped.

Alice comes from a family interested in people—her father is a doctor, her mother a nurse, a brother is in medical school, and one sister is married to a doctor.

At present, Alice is a full-time employee of the Wisconsin Dept. of Agriculture. She is the chief spokesman for Wisconsin agricultural products at many out-of-state occasions, as well as numerous appearances within the state.

CONCERT AT CENTRAL HIGH

The Central High School Band will present its winter concert January 19. Edward Stevens, Director, said that the band will be dressed in new uniforms. Band members have worked with the Band Mothers, Pep Club and GAA to obtain the uniforms.

Watermelons, first grown in Africa and Asia, have vines sometimes extending 15 feet along the ground. The fruit is more than 90 per cent water.

Karen Phillips, with the cooperation of Resusci-Anne, practices mouth-to-mouth resuscitation while Mike Haley and Don Lubkeman watch.

Annie Has A Heart Contest For Stamp Design

The lives of many people have been saved by mouth-to-mouth resuscitation and probably a few by external cardiac massage. And the people who applied the emergency measures in many instances were not physicians.

Emergency squads, such as the Rescue Squad, are trained in life saving techniques. However, many lives can be saved through application of emergency measures that people learn in First Aid courses.

Resusci-Anne is one of the latest aids to learning mouth-to-mouth resuscitation and external heart massage. Annie is a very lifelike inflatable mannikin who responds in a lifelike manner to artificial respiration and other rejuvenative measures.

Annie shows the same response to resuscitation that an unconscious person would. It's impossible for a conscious person, used for practice, to show this response.

By means of gauges attached to Resusci-Anne, the student and instructor can tell whether the artificial respiration is being given effectively.

Resusci-Anne was developed in Denmark about 1960. The Antioch Fire Department and Rescue Squad purchased one of the mannikins jointly in 1966 at a cost of about \$200. She has since been used in fifteen demonstrations to about 500 people.

Annie is not demonstrated for entertainment. However, Rescue Squad members are happy to demonstrate her use to groups seriously interested in learning principles of First Aid.

Annie is a rather attractive blonde. Her body is inflatable plastic. Her face has a lifelike appearance and feel, and her mouth can be opened.

She's fitted out with a heart, lungs and arteries. Her chest rises and falls.

Ravenglen Farm Sire Wins Honors

A registered Holstein bull owned by C. M. Bottema, Jr., Indianapolis, Indiana, and Ravenglen Farm, Robert L. Hunter, Antioch, has qualified as a Silver Medal Type Sire under the new plan of daughter-dam comparisons based on type classification scores.

Ravenglen Citation Triune 1370469 (VG) received the Holstein-Friesian Association of America award on the basis of 25 classified daughters with an average type score exceeding that of their dams.

The new method involves daughter-dam comparisons similar to those commonly employed in gauging a sire's ability to transmit production.

Under the plan, each cow's type score is converted to a percentage-of-the-breed-average for her age group. Comparisons are drawn between the resulting figures averaged for both dams and daughters.

To qualify for the Silver Medal Type award, a sire must have daughters with classification scores higher than the breed average for animals in their age bracket. They must also exceed "expectancy"—a point midway between the breed average age of their dams and that of the entire herd.

when air is breathed into her lungs. If not used properly, she will not respond.

Rescue Squad members demonstrate life saving methods to students at Antioch High School with Resusci-Anne's help several times a year. "Every student who graduates from high school from now on will have had some instruction in this First Aid life saver," Dan Dugenske says. "We estimate that a life will be saved for every fifteen people who learn to apply mouth-to-mouth resuscitation."

Dan says that even a child five years old can learn to give mouth-to-mouth resuscitation. In fact, he says, some of them learn it more easily than adults.

Resusci-Anne is valuable in training new members of the Rescue Squad, and the Fire Department in life saving measures, of course. Mouth-to-mouth resuscitation has been demonstrated to people of all ages and sexes with Resusci-Anne's help since she was purchased. The number of people viewing the demonstrations has varied from 10 to 100.

If Dan's estimate of one life saved for every 15 persons who learn principles of mouth-to-mouth resuscitation works out, Resusci-Anne and the men who demonstrate artificial resuscitation with her help have saved many lives.

Holiday Over, Teachers Return To School Work

The Christmas and New Year holidays are over, and at Antioch High School students and teachers are back in the daily routine.

Family gatherings back home were on the holiday schedule for many of the teachers. Others remained in Antioch.

Roger Andrews, basketball coach, spent Christmas at home with his family. Then, as might be expected, was busy coaching the Fighting Sequoias through the Rockford Classic. A New Year's Eve party, topped with watching the Bowl games on TV, took care of the holidays.

Warren Polley, Assistant Superintendent, took in as much of the Rockford tournament as he could and spent the holidays with his family.

Il. Ivan Teague stayed home and caught up on some of the chores around the house that needed doing. Mr. and Mrs. Michael J. Tulumello spent part of the holiday at the home of Mrs. Tulumello's mother, Mrs. Rose Darrough, at Sheldon, Ill., and the rest with her sisters at Kankakee, Ill.

Mary Jean Bachler spent the holidays with her family in Monroe, Wis.

Harrison W. Brown spent Christmas in Antioch at his home.

June Marie Zehnder drove to Mankato, Minn., to spend the holiday with her parents.

R. H. Elliston spent the holiday in Oklahoma at his parents' home.

R. M. Olson and his family traveled to Washington, Ill., to spend Christmas with his family and relatives.

Fern Tate stayed in Antioch for the holidays.

Norman Hahn, assistant basketball coach, spent much of the holiday at basketball practice and at the Rockford

Classic.

A. E. Blecke, publicity director at the High School, spent Christmas Day with relatives in Chicago; then enjoyed the balance of the holiday period at home. Superintendent Albert Dittman visited relatives and friends in the Aurora, Ill., area on Christmas Day.

BLOOD DEMANDS HIGH
The Illinois Department of Public Health has adopted a more stringent policy on the distribution of gamma globulin, Dr. Franklin D. Yoder, director, has announced. The new policy was necessitated by the discontinuance of supply from the American National Red Cross. The Red Cross previously allocated gamma globulin to the department for free distribution to physicians. The amount of the allocation was in direct proportion to the support given the blood donor program in Illinois.

Due to needs of overseas servicemen, the demands today are exceptionally high. In view of the heavy demand for the product and the limited supply available, the Red Cross has found it necessary to establish priorities for the distribution of gamma globulin. It will no longer be supplied free of charge to the states. "The department will continue to provide gamma globulin to the extent of its budget and in accordance with previously established gamma globulin policies," Dr. Yoder said. "These procedures will be maintained, limited only by budgetary considerations, on a replacement basis." The department provides gamma globulin without charge to Illinois physicians requesting it for certain contacts to measles, German measles and infectious hepatitis.

Cancer Society Releases Cancer Facts & Figures

Fifty million Americans now living will eventually develop cancer — if present rates continue," said Dr. John J. Zannini, President of the Lake County Unit.

The latest round-up of information on cancer, "1967 Cancer Facts and Figures" issued by the American Cancer Society, brings encouraging and discouraging data to the public.

The new figure of 50 million Americans — one million more than the estimate for the previous year, reflects the increase of population. It means that one in four persons will get cancer and it will strike in approximately two of three families, Dr. Zannini commented.

The "1967 Cancer Facts and Figures" shows that deaths from cancer of the lung continue to mount, with an estimated 51,800 deaths estimated for 1967 as compared with 49,800 this year.

A decline is indicated for deaths from uterine cancer with 13,500 estimated for 1967 as compared with 13,700 this year. This is the continuation of a trend which has cut the death rate in half from this type of cancer in women over the past 25 years. The ACS attributes the increasing number of lives saved to the wider application of the Pap test which helps detect the cancer in its early and more curable stages.

The incidence of stomach cancer continues to decline — the estimate for 1967 is 20,000 new cases. "1967 Cancer Facts and Figures" notes that there has been a 40% decline in mortality from cancer of the stomach in 20 years, for reasons yet unknown.

"There are now 1,400,000 Americans, alive today, who have been cured of cancer," according to the Society's publication," said Dr. Zannini. By "cured" the Society means that they are without evidence of the disease at least five years after diagnosis and treatment. Actually, the Society estimates that there are more than 2,000,000 Americans cured of cancer because 700,000 cancer patients, diagnosed and treated within the last five years, will enter the ranks of those considered cured. They will not formally be included in new figures until they have completed the five years.

About 193,000 Americans will be saved from cancer in 1967, the publication reports. It also notes that 97,000 cancer patients will probably die in 1967 who might have been saved by earlier and better treatment.

"1967 Cancer Facts and Figures" also shows that in 1967 about 890,000 Americans will be under medical care for cancer; there will be about 580,000 new cancer cases (diagnosed for the first time) in 1967. In 1967 an estimated 4,800 children under the age of 15 will die of cancer, half of them of leukemia, which is cancer of the blood-forming tissue. The Society's Annual Meeting was informed that on September 1, 1966, there were 64 ACS grants for more than \$2 million that were directly or indirectly related to leukemia. Cancer experts believe that if drugs or vaccines can be found which can cure or prevent any cancers, they will be successful first for leukemia and the lymphomas. Newly developed drugs and combinations of drugs have arrested leukemia for a time, but there is no preventive or cure as yet, the Society reported.

The "1967 Cancer Facts and Figures" said that people who are trying to shake the cigarette smoking habit, or avoid starting, will be getting increased help in 1967 from various sources. The Surgeon General of the United States estimates that there are 18 million Americans who have quit cigarette smoking. The ACS publication reports that in addition to its own massive epidemiological studies under way the Society, as of September 1, 1966, was supporting 15 other research grants related to smoking in the amount of \$650,121.

Emphasizing the vital role of the physician, the ACS pick up your copy.

points out that physicians are smoking far less than the general populace, with a drop in this country and in England to an estimated 30 per cent. A study conducted among British male physicians showed a 7% decline rate in contrast to a 22% increase among other males over a ten year period. Dr. Zannini said "Copies of 1967 Facts and Figures are available through the Lake County Unit Headquarters—Call DE 6-9293 or drop by and pick up your copy.

Stress Can Trigger Ills Of Children

Boston, Mass. — "Bacteria cause disease. Disease can also be triggered by social and psychological stress. A striking study by psychiatrist Dr. Arthur Z. Mutter and psychologist Maxwell J. Schleifer, Ph.D., of the Boston University School of Medicine compared the recent history of 42 children aged six through 12, hospitalized with such illnesses as rheumatic fever, meningitis, croup, and pneumonia, with a group of 45 children, in good health, and of similar age, race, religion and family background. Here's what they found:

*More of the sick youngsters (67 percent) had lost someone they cared about than the well ones (46 percent).

*The families of the sick children were more likely to

Mrs. Allan David Jensen

Wed In Baltimore

The wedding of Claire Theresa Serra of Baltimore, Maryland, and Allan David Jensen of Antioch was held Dec. 22 at the Cathedral of Mary Our Queen in Baltimore. The Rev. Father Paul G. Cook officiated at the ceremony.

The new Mrs. Jensen is the daughter of Dr. and Mrs. Lawrence M. Serra of 812 Fairway Drive, Baltimore, Md. Mr. Jensen is the son of Ms. and Mrs. Jens Jensen of Linden Lane, Antioch.

The bride was given in marriage by her father. Miss Jean Irene Serra, sister of the bride, was maid of honor. Miss Penelope Louise Primus of Baltimore and Miss Linda Courtney Schultz, both of Baltimore, were

bridesmaids. Jerry Dale Smilack of Winter Haven, Florida, was best man. Ushers were Robert A. Rosenbaum, of Portland, Oregon, and Richard C. Nelson of Chicago.

A reception was held at the Serra home. Following a honeymoon trip to New York City, Mr. and Mrs. Jensen will live in Baltimore.

The bride is a graduate of Bryn Mawr and presently a senior at Goucher College in Baltimore. The groom is a graduate of Lane Technical High School; attended the University of Rochester in New York; received his B.A. at Johns Hopkins University and is presently a student at Johns Hopkins Medical School.

Jean Price

Announce Engagement

Mr. and Mrs. Art Price of Rt. 5, Antioch, announce the engagement of their daughter, Jean, to Roger Mann, son of Mr. and Mrs. H. Mann of Brighton, Iowa.

Miss Price is a 1963 graduate of Antioch Community High School and a senior at Iowa Wesleyan College of Mt. Pleasant, Iowa. She is affiliated with Alpha Phi Delta social sorority.

Mr. Mann is a 1965 graduate of Iowa Wesleyan College and is affiliated with Phi Delta Theta fraternity. He is now a teacher in high school in Galva, Ill.

Sponsors Of Rainbow Girls Schedule Meeting

The annual meeting of the sponsoring body of the Order of the Rainbow for Girls, Antioch Assembly No. 23, will be held Sunday, January 8, at 2 p.m. in the Masonic Temple on Main St.

All interested Masons and Eastern Stars are invited to attend.

Vandals was the name originally applied to a German tribe which settled in the Oder Valley in the 5th Century B. C.

Social Notes

By Del Jahneke

The James McMillens had a family dinner party at their home on New Year's Day, when they entertained the John Kakacek family, Antioch, and the James McMillen, Jr., family of Oak Brook, Illinois.

Mrs. Wilbur Smouse of Marseilles, Ill., was a Christmas Eve guest at the Ken Smouse home. On Christmas Day, all of the Smouse family were guests of the Ray Dressel family of River Forest, Ill. Mr. Dressel is Mr. Smouse's cousin, and Mrs. Wilbur Smouse is his mother. The Ken Smouses then spent several days at Marseilles.

Christmas Day company at the Ray Rathmann home, Oakwood Knolls, were the Pat Cosper family of Wheeling, the William Mandels of Dolton, and the Norman Jascinski family of Roselle. Mrs. Cosper and Mrs. Mandel are Mrs. Rathmann's sisters, and Mrs. Jascinski is Mr. Rathmann's sister. The Rathmann family also visited Mrs. Edna Wenthe of Chicago.

Mrs. Rathmann's mother, The Ray Lasco family of Antioch were Christmas Eve guests of the Ken Finner family of Stoughton, Wisconsin, and on Christmas Day, they were entertained at the Harry Finner home in Juneau, Wisconsin. Mr. Ken Finner and Mr. and Mrs. Harry Finner are the brother and parents, respectively, of Mrs. Lasco.

Christmas Day found the Bernard Stadick family of Antioch at the Ben Stadick home in Chenoa, Ill. The Ben Stadicks are Mr. Stadick's parents.

The James Kennedy family of Toledo, Ohio, spent several days at Christmas time at the Kravak Kennedy, Sr. home in Antioch.

The Walter Buchera fam-

ily, Lake Catherine, were New Year's Eve guests of Mr. and Mrs. George Borgwall, Spring Grove.

The Anton Johnson family, Lake Catherine, had Mrs. Johnson's niece and her family, the Donald Riemers and their four children, of Elgin, at their home on Christmas Monday, Dec. 26.

Mr. and Mrs. Thomas Jacobsen, Beach Grove, celebrated the New Year's Day with a double-birthday family party at their home. The birthdays honored were those of Mr. and Mrs. Don Rodgers, Oakwood Knolls, January 2nd, and December 31st, respectively. Helping in the celebration were the James Ruhl family of Zion; the Royce Brooks family and the Milburn Rodgers family, all of Channel Lake; the Truman Rodgers, Paddock Lake, Wis., and Mrs. Willie Mae Brooks of Chicago.

WESLEY EVENING CIRCLE
The Wesley Evening Circle of the Antioch Methodist Church will meet at the home of Mrs. Roger Andrews Thursday, Jan. 12, at 8 p.m. Mrs. Harold Knutsen will be the co-hostess.

Devotions will be given by Mrs. Ken Smouse. The meeting will be conducted by Mrs. Charles Mapletorpe, president. Mrs. Emory Chandler, program chairman, will announce the program at a later date.

Legion Auxiliary

By Del Jahneke

The American Legion Auxiliary No. 748 will hold their regular business meeting on Friday, January 13th, at the Antioch American Legion Home, at 8 p.m. with Mrs. Ray Rathmann, President, conducting the meeting. Since the last two meetings were very brief, due to social activities those evenings, there will be a good deal of business to be discussed on January 13th.

The hostesses are Mrs. Ralph Fields, chairman, with Mrs. Ollie Tweed, Mrs. Dan Lightsey, and Mrs. Margaret Gaston, as her committee.

It is with deep sorrow that the death of Mrs. Lucy Hillmen is reported. She had served the Antioch Legion Auxiliary as President for three terms. On the 10th District Auxiliary level, she had also served as Americanism for six years.

The Charter of the Antioch Unit will be draped at their meeting to honor the memories of both Mrs. Hillmen and Mrs. S. Boyer Nelson.

RETURNS FROM URBANA

Mrs. Joseph Rhymer of Rt. 2, Box 465, Antioch, returned home Monday, after spending the holidays with her daughter, Mrs. C. W. Wikoff and family of Urbana.

Barbara Jean Barranco

Plan June Wedding

Mr. and Mrs. Sam Barranco of Trevor, Wis., announce the engagement of their daughter, Barbara Jean, to David Michael Foley of Antioch. Mr. Foley is the son of Mrs. Veronia Foley of Chicago.

The couple are planning a June 24 wedding.

A.A.R.P. To Meet

The business session of the Antioch Area Chapter, 387 of the American Association of Retired Persons, (AARP) will be held on Tuesday, January 10th, in the community room of the Antioch Savings & Loan Building.

Following a short business session, Frank Nustra, Recorder of deeds for Lake County, will speak to the group on the importance of filing and recording important papers covering corporations, real estate, and business firms.

For the January 24th social meeting of the chapter, Mrs. William C. Petty will give an interesting book review.

Where The Boys Are

Pfc. Joseph Enis

Pfc. Joseph Enis, U. S. Army Special Forces, spent the Christmas holidays with his parents, Mr. and Mrs. Vincent Enis of Antioch.

Pfc. Enis is undergoing specialized medical training at Fort Bragg, N. C.

USS STORMES — Machinist's Mate Third Class Robert P. Barnstable, USN, son of Mr. and Mrs. L. H. Barnstable of Antioch, has arrived in Norfolk, Va., as a member of Destroyer Squadron-32, after a seven-month deployment to Vietnam aboard the destroyer USS Stormes.

During the time the squadron was assigned to the U. S. Seventh Fleet in the South China Sea and the Tonkin Gulf, its eighth Atlantic Fleet Destroyers compiled an impressive combat record.

While providing naval gunfire support to U. S. and Allied forces in Vietnam, the squadron ships blasted nearly 2,000 different targets with over 27,000 heavy projectiles.

Every year an estimated 500 million people suffer from disabling diseases associated with unsafe water supplies, according to the World Health Organization.

Persons with a medical history of hay fever, asthma or other allergies should consult a physician immediately when stung by a wasp, the Agriculture Department advises.

Newlyweds To Live In Oklahoma

By Mrs. Bernice Bernau
Miss Lynda McCleod became the bride of Aurel Samuel Gallu in a double ring ceremony in Good Shepherd Lutheran Church on December 24 at a 1:00 p.m. service. The Rev. Kenneth Haskell performed the ceremony.

Mrs. Gallu is the daughter of Mr. and Mrs. Walter (Joyce) McCleod of Sand Lake, Lake Villa. The groom

is the son of Aurel Gallu, RFD 3, Venetian Village.

Christi McCleod was maid of honor for her sister and Robert Johnson of Grayslake was best man. Mr. and Mrs. Lester Card of Millburn were usher and bridesmaid.

The bride wore a gown of white Chantilly lace over taffeta. The bodice was fashioned with a scalloped neckline and long lace sleeves. It had a bouffant skirt and she wore a detachable chapel train and a crown headpiece.

Her attendants wore floor-length dresses of red velvet, with oval necklines and elbow length sleeves. They carried red and white carnations.

A reception for over 100 friends and relatives was held in the church parlors. Among the guests were the Howard Martins of Lake Villa, neighbors of the McCleods for the past 20 years. Also, the bride's grandparents, Mr. and Mrs. Willis McCleod of Lake Villa and Mr. and Mrs. John Fienning of Kaukauna, Wis.; the groom's grandparents, Mr. and Mrs. Joseph Karlesky of Prairie View, and his sister, Miss Jackie Gallu of Louisville, Kentucky. Other relatives came from Chicago, Glenview, Morton Grove, Mount Prospect, Waukegan and Lindenhurst.

The newlyweds spent their honeymoon in the Abbey at Fontana, Wis. They returned to Lake Villa briefly on Tuesday to say their good-byes to their parents and three sisters before leaving for Oklahoma, where they will be setting up housekeeping at Fort Sill, where Aurel is a private in the army.

Stress Can.....

(continued from page 3)

have a family member whose health, mood, or behavior was disturbed. Among these might be a mother suffering from menapausal depression, or a moody father who drank a good bit, or a rebellious adolescent brother.

"The mothers of the sick children seemed less adequate as parents."

"More than half the sick children had gone through changes that were moderately or seriously threatening to them (a parent's illness or death). None of the well children had experienced a serious change. Dr. Mutter emphasized that emotional stress, while not causing physical illness, seemed to trigger them."

The only wife of a President to have her portrait on currency was Martha Washington. Her picture appeared on \$1 silver certificates, series 1886, 1891 and 1896.

The 14 volumes of Henry David Thoreau's Journals contained about 2 million words.

Sequoits 4th In Rockford Classic

Dixon won the championship trophy in the Rockford Holiday Tournament, defeating Peoria Spaulding 59-56. Willowbrook took the consolation game from Antioch, 70-61.

Although Antioch's Sequoits had to settle for fourth place in the tournament, both Tyrone Walls and Jerry Whitson won honors for their ability on the basketball court. Walls headed the list of choices for the All-Tournament team, scoring 38 of a possible 40 points. Of the 20 ballots cast, he received 10 votes for first team and two for second team. Walls also was second in points scored in the tournament, with 77.

Whitson received Honorable Mention on the Tourney Team. He scored 21 points in the second game, against Rockford Boylan, and played a fine game throughout the tournament.

J. Turner of Evanston lead the tournament scoring, with 78, followed by Antioch's Tyrone Walls with 77. Other high scorers were C. Brooks of Peoria Spaulding, 70; R. Leonhardt, Willowbrook, 69, and S. Wade, Dixon, 66.

Although Antioch's Sequoits couldn't take either of Friday's games, Coach Roger Andrews declared, "We are extremely proud of our young men. They did a fine job—impressed many people with their fine play. The tourney was of real value, great experience. It will make us a much better basketball team. We should have a great deal of confidence—many of the teams we played are the best around the state. Jerry Whitson deserves real praise—he did an outstanding job for us and really came into his own."

ANTIOCH 81—OREGON 62
In the first game of the tourney, the Antioch Sequoits rolled to an 81-62 victory over Oregon. The Sequoits outscored their opponents 27-10 in the second quarter to lead 46-26 at the half. Tyrone Walls, Don Zeman and Steve Miklautsch lead the team with 20, 16 and 13 points respectively. During the second half, the regulars had a chance to rest while every man on the squad saw some action.

Antioch 69, Boylan 56
Walls, Whitson and Empfield got Thursday's game off to a fast start. Whitson scored 21 points and played an excellent game in floor leadership, hustles and steals. Empfield grabbed off 15 rebounds to lead in that department.

In the first quarter, with Walls clicking for 11 points, the Sequoits lead by ten points, 22-12. They stretched their lead to 40-25 by half time. The Sequoits lead by as much as 18 points in the second half, with many of the reserves playing. Walls, Zeman and Miklautsch shot 100% on free throws throughout the game, and the Sequoits connected on a sensational 19 of 23 tries at the charity line.

Antioch 62-Spaulding 75
Antioch's tourney hopes were dashed Friday as they lost to Peoria Spaulding, 65-72, although they played a good game. Maybe a minor accident on the way to the game was a forecast of the way the day would go. The school bus carrying the team was involved in a minor accident and was unable to finish the trip. Private cars provided transportation for the stranded team, and some of them made it just in time for the game.

The game with Spaulding was a nip and tuck battle until the last minute, and 45 seconds of the game. Al O'Neal, a sophomore, scored 12 points in the first quarter to give Spaulding a 19-16 lead.

The Sequoits rallied in the second quarter, and at one point held a 3-point lead, 32-29, only to hit another cold spot and fall behind 37-36 at the half.

With all the starters and substitute Jim Litchfield playing a fine game, the Sequoits were still in the game at the end of the third quarter, down only 55-54.

With five minutes left on the clock, the score was tied 58-58. At this point, Spaulding ran six straight points, to take a 64-58 lead. With

2:20 to go, Antioch was down 64-60. Antioch's hopes flared as a Spaulding defender fell and the Sequoits had an open shot lay-up. Antioch missed the hoop. Spaulding rebounded and scored, leading 66-60 with one minute, 45 seconds to go. Spaulding took command and added to their lead from the free throw line.

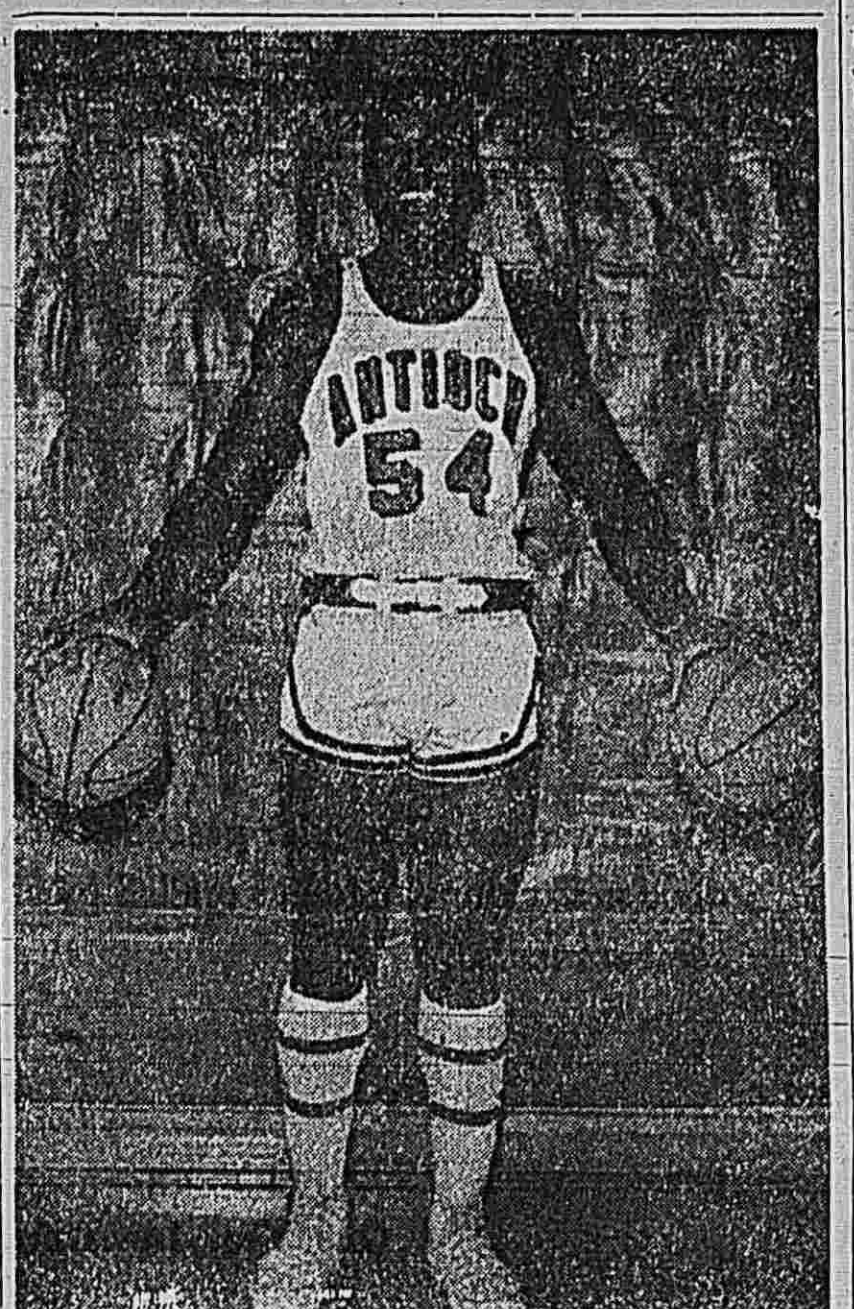

Spaulding, a loser to Peoria Central by one point, with Peoria Central rated 8th or 9th in the state, the Sequoits made a good showing in their loss. "With a break here or there," said Coach Andrews, "we could have won this game."

Walls lead the scoring with 20 points, with Don Zeman and Jerry Whitson each adding 14 points to the total.

Antioch 61, Willowbrook 70
Too much height on the

Willowbrook team, plus not enough rest for the Sequoits after the afternoon game, contributed to the Sequoits' loss to Willowbrook, 70 to 61. Willowbrook, with 4 players 6' 4" or taller, and twice as much rest as the Sequoits slowly but surely opened a lead and won by nine points. The Sequoits went down fighting and the fine play of Walls and Whitson will long be remembered by the Antioch fans.

The Sequoits came as close as six points late in the fourth quarter but just didn't have it to pull the game out. Jerry Whitson displayed the hustle and drive of a true champion. Tyrone was back on the boards again, and scored 19 points to lead the Sequoits. Whitson scored 13.

Ty Walls was top choice on the All-Tourney team.

Walls Is Leading Choice On All-Tournament Team

Choices for the All-Tournament Team, selected from players in the Rockford Holiday Classic, were as follows: Tyrone Walls, Antioch, Senior; Conrad Brooks, Peoria, Spaulding, Senior; Jim Foote, Auburn, Senior; Gary Matthews, Willowbrook, Junior; Duane Denemine, Peoria Manual, Junior.

Second team: Alvin O'Neal, Peoria Spaulding, Sophomore; Ricky Leonhardt, Willowbrook, Senior; Steve Wade, Dixon, Senior; John Knigge, Dixon, Senior; John Turner, Evanston, Senior.

Honorable Mention: Jerry Whitson, Antioch; R. Cooper, Dixon; P. Kopeck, Dixon; B. Henley, Chicago Harlan; B. Summers, R. Harlem; F. Jones, Evanston; B. Blatcher, Auburn; C. Ivy, Chicago Carver.

Prize Shoot To Kick Off 1967 Season

By Harry H. Stern
The McHenry Sportsmen's Club will inaugurate the 1967 shooting season with a Prize Shoot Sunday, January 8, starting at 11 a.m.

In addition to tender aged steaks and young chickens, many articles prized by the shooting gentry will be on the line for winners.

Heading the list of contests will be the now most popular 6-prize quintuple white bird shoot. This is where amateurs can stand up against the pro's and come off as well, or better, prize-wise, luck being a greater factor than accuracy. Five white targets are thrown from the trap at unknown intervals and the lucky nimrods who bag one get a prize, in addition to a prize for high score. If a white bird is missed another is thrown until it is broken. The regular birds are black.

Also on the program are single, double and triple white bird shoots, straight high score contests, Annie

Oakley, Protection and 25 bird practice rounds. Hot refreshments, shells and watching facilities in the warm club house.

The balance of the January shooting schedule is: Monday, January 9—Business Meeting, 8 p.m.; Saturday, Jan. 14—Practice Shooting, 1 to 4 p.m.; Saturday, Jan. 21—Practice Shooting, 1 to 4 p.m.; Sunday, Jan. 22—Meat Shoot, 11 a.m.; Saturday, Jan. 28—Practice Shooting 1 to 4 p.m.; Sunday, Jan. 29—Add-Up Point Prize Shoot, 11 a.m.

The McHenry Sportsmen's trap range is on the west side of Pistakee Bay and can be reached from the east via Route 134 Big Hollow Road, to its western terminus, then a right turn. From the west the route is through Johnsbury, across the Fox River to Adams Service Station, then a left turn. From McHenry go north on Chapel Hill Road to Adams Station, then a right turn.

Freshman Sequoits Have 5-2 Record

The Antioch Freshman basketball team, coached by Gary Allen, has posted a 5 wins-2 losses record in their first seven games. The two losses have been by a total of three points.

Scores of the first seven games were as follows: Antioch 64-Salem Central 46; Antioch 51-Lake Zurich 45; Antioch 60-Zion-Benton 47; Antioch 41-Lake Forest 42; Antioch 43-Grayslake 24; Antioch 42-Carmel 19 and Antioch 30-Grant 32 (overtime).

The following boys are members of the squad: William Albano, James Albright, Don Dill, Ross Hauke, Charles Jester, Rick LaChange, Mark Larson, Louis Nielsen, Kevin O'Neill, James Polley, Ira Powell, Michael Ring, David Rogers, Wayne Simon, Alan Stelter, Daniel Sterbenz, Jeff Sterbenz, John Weiss, and Managers Donald Edwards and William Zeman.

The schedule of the remaining games is Saturday, Jan. 7 at Warren, 9:30 a.m.; Monday, Jan. 9 at Conant,

4:30 p.m.; Saturday, Jan. 14, Round Lake here, 9:30; Monday, Jan. 16, at Wauconda, 4:30; Saturday, Jan. 21 at Lake Zurich, 9:30; Saturday, Jan. 28, Lake Forest here, 9:30; Monday, Jan. 30 at Grayslake, 4:30; Saturday, Feb. 4, Grant here, 9:30; Monday, Feb. 6, at Zion-Benton, 4:30; Saturday, Feb. 11, Warren here, 9:30; Monday, Feb. 13, at Round Lake, 4:30; Saturday, Feb. 18, Wauconda here, 9:30; Thursday, Feb. 23, Salem-Central here, 4:30.

Junior Bowlers To Compete In Tourney

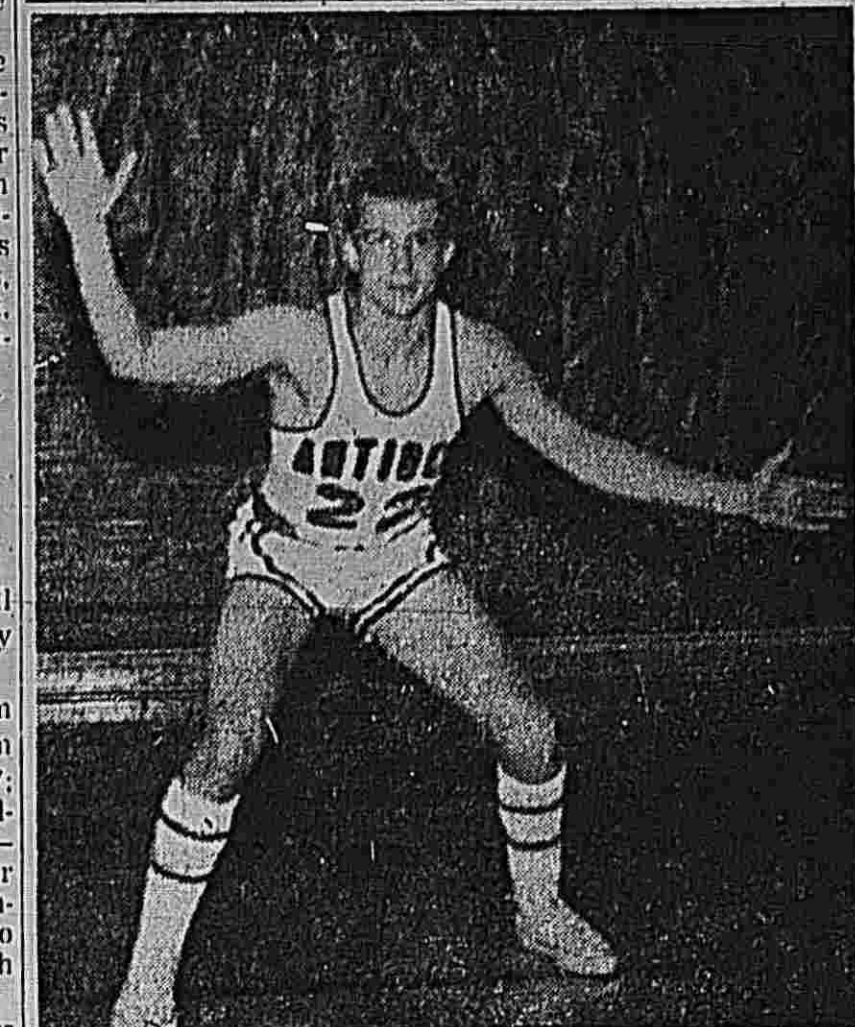

The preliminaries of the Lake County Bowling Tournament for Bantam, Junior and Senior bowlers was held Monday, Jan. 2, at the Antioch Bowl. One boys' team and one girls' team from each division will go to the finals at the Sunset Bowl Sunday, Jan. 8. Bowling

DEER KILL IN ILLINOIS
Hunters bagged 1,404 deer during the second half of the shotgun season, the Illinois Department of Conservation has announced. Deer season was divided into two three-day portions, Nov. 18, 19 and 20, and Dec. 9, 10, and 11. A total of 7,327 white tails were killed during the six days, 285 fewer than were harvested in 1965.

No hunting accidents were reported during the deer season. Conservation officers issued many citations for hunting upland game in counties open for deer hunting, uncased or loaded guns in cars, unplugged guns, hunting without a permit, improper clothing and shooting from a public road.

Jerry Whitson won Honorable Mention on the All-Tourney team at the Rockford Tournament.

Plans Completed For NICC Ice Derby

By Harry H. Stern

Final plans have been completed for the Northern Illinois Conservation Club's 6th annual Ice Fishing Derby, which is all set and awaiting the starting gun Sunday, January 8th at 9 a.m.

Derby officials have removed the Ladies Beauty Contest, one of the special events, slated for 3:45 p.m. judging, and in its place the selection of "The Queen of the Ice Fishing Derby" will be made. This is to be an annual event and an integral part of the NICC Ice Fishing Derby.

Locale of the biggest and most exciting ice fishing soiree in the state is at the south end of Channel Lake, on Illinois Route 173, three miles west of Antioch.

In an on-site inspection Monday, December 26th, Derby officials found the lake ice to be 8 inches thick "and making ice" every day. With the present weather trend, 12 to 15 inches of the cold, hard stuff is expected to be under foot on Derby day.

Channel Lake, the northernmost lake in the Fox Chain, is the clearest and deepest, and boasts a prodigious game fish population. Categories of fish eligible to win prizes, all acanthopterygians, include bass, bluegill, sunfish, crappie and perch.

A prize will be given to the catcher of the largest one of each of these every hour, the first award being made at 10 a.m.

Then, at the end of the day there will be a prize for the 1st, 2nd, and 3rd largest of each of these species caught during the day. Another prize will be awarded for the largest fish of the day, and this fish may be of any species.

Prizes have been allocated for the fisherman with the most fishing rods, the best dressed piscator, the oddest dressed angler, and the oldest.

A full program of special events has been scheduled and include: 9:00 a.m. to 4 p.m.—Guess the Weight of a Block of Ice; 9:00 a.m. to 4 p.m.—Guess How Many Minnows in a Jar; 11:00 a.m.—Men's Hole Making Contest, with Ice Chisel; 11:30 a.m.—Men's Hole Making Contest with Ice Auger; 12 noon—Ladies' Hole Making Contest—with Ice Auger; 12:30 p.m.—Children's Fishing Contest, in Contest Holes; 1:00 p.m. Ladies' Fishing Contest, in Contest Holes; 1:30 p.m.—Men's Fishing Contest, in Contest Holes; 2:00 p.m.—Penny Scramble in the Straw, Children to age 6; 2:45 p.m.—Boys' Sack Race, to age 18; 3:00 p.m.—Girls' Sack Race, to age 18; 3:15 p.m.—Ladies' Sack Race; 3:30 p.m.—Men's Sack Race; 3:45 p.m.—Ladies' Beauty Contest; 4:00 p.m.—Final Disposition of Prizes—Derby Closes.

In all, over 100 prizes will be handed out to lucky participants.

Derby headquarters buildings will be out on the ice in the midst of the anglers, to facilitate entering their fish in the competition. Hot drinks and sandwiches will be served up on the ice all day long by the ladies of the NICC. Salamanders will be spotted in various places on the ice as warming stations for anglers and spectators.

Charles Haling and his sons, Grass Lake, and Dave Debenham, Antioch, will be out with snowmobiles, giving free rides to all who want them. Haling will drive a Johnson Snowmobile while Debenham shows off a Canadian made Alouette.

The Bantam Boys winners were Larry Erdman—284; Kevin Weeks—335; Dean Mesmer—225; Steve Bain—313 and Pat Totten—304, for a team total of 1551.

The Junior Girls' winners (3 games) were Julie Podesen—508; Kathy Mallory—476; Pam Allen—493; Karen Johnson—521, and Mary Lou Muller—630 for a team total of 2628.

Junior Boys' winners were Dan Sterbenz—515; Ted DeBoer—512; Ken Knackstedt—497; Dave Swanson—515, and Ron Ozga—591.

Senior Girls' winners were Caroline Krantz—581; Candy Krantz—642; Kathy Boston—536; Lee Anne Tanner—538, and Glenna Burns—661 for a team total of 2958.

Senior Boys' winners were Keith Bolton—584; Tim Bartly 526; Ron Nielsen—602; Will Weeks—462, and Dan Toman—689 for a team total of 2913.

DEATH NOTICES

VINCENT KONIECZNY

Vincent Konieczny, age 76, of Timberlane Sub., Salem, Wis., passed away Thursday, Dec. 29, in Chicago after a lingering illness.

Born July 10, 1890, in Chicago, he resided in Salem since 1955 when he retired from Best Food Co. in Chicago after 37 years.

He is survived by his daughter, Mrs. Bernice (Henry) Wroblewski of Chicago, three sisters, two brothers, all of Chicago. He was preceded in death by his wife Esther in 1964.

A veteran of World War I, he was a member of American Legion Post Schultze-Hahn No. 292 of Silver Lake, Wis.

Funeral mass was celebrated Tuesday, Jan. 3, at Holy Name Church, Wilmet, Wis., at 10:30 a.m. Interment was in the church cemetery. Friends called at the Colonial Funeral Home Monday, where a rosary was recited at 8:00 p.m.

MRS. LUCY J. HIMENS

Mrs. Lucy J. Himens, 73 years old of Antioch, passed away at 9:00 a.m. in Dixon Public Hospital on Sunday, Jan. 1st, 1967, suddenly from a heart attack.

Mrs. Himens was born October 8, 1893 at Janesville, Wis. She moved to Eagle River, Wis., in 1899, then to Brighton, Wis., in 1918, to Antioch in 1928, and has been living with her daughter, Mrs. Lucille Kutz at Dixon for the past year. Mrs. Himens is a member of St. Peter's Church in Antioch and the Altar and Rosary Society of that church. She is a member of the Catholic Order of Foresters, Antioch Chapter No. 735 Women of the Moose, the Auxiliary of Antioch V.F.W. Post, the American Legion Auxiliary, and Retired Teachers of Illinois. Mrs. Himens had taught for 35 years in schools in the Antioch area.

She was preceded in death by her first husband, Harvey E. Sherman on Jan. 13, 1926, and one son, Bernard D. Sherman on Aug. 12, 1956.

Survivors are four daughters, Mrs. Bernice Mogenson, Burlington, Wis.; Mrs. Jean (Arthur) Soby, Antioch; Mrs. Lucille Kutz, Dixon, Ill.; and Sister Mary of the Cross SSCM, at Gunnison, Colorado; two brothers, George Bolte, Eagle River, Wis.; and Thomas Bolte, Rhinelander, Wis.; two sisters, Mrs. Margaret Hanlon, Whitewater, Wis.; and Mrs. Alice Staurt, Edgerton, Wis.; 17 grandchildren and 10 great-grandchildren.

Funeral services will be held at 9:30 a.m. Thursday (today) from Strang Funeral Home, Antioch, to St. Peter's Church, Antioch, at 10 a.m. for a requiem mass. Interment in St. Francis Xavier Cemetery at Brighton, Wis. Friends called at the funeral home after 7:00 p.m. on Tuesday. Parish prayers were resited at 8:00 p.m. on Tuesday and Wednesday.

WAYNE M. HOFFMAN

Mr. Wayne M. Hoffman, 46 years old of Valmar Subdivision near Trevor, Wis., passed away Monday, Jan. 2, 1967, at Burlington Memorial Hospital suddenly from a heart attack. He was born January 25, 1920 at Mt. Morris, Ill., and had resided in Polo, Ill., and Chicago, Ill., before moving to Valmar Subdivision 12 years ago. He had worked as a foreman for International Harvester Co. at Libertyville, Ill. He married Elizabeth Brocar on Oct. 7, 1939 at Clinton, Iowa.

Survivors are his wife, Elizabeth, three sons, Steven, serving in the armed forces in Viet Nam, Michael and Mark, both at home; five daughters, Mrs. Margaret (Ernest) Franks, Antioch; Mrs. Dorothy (Donald) McClellan, Ocean Side, Calif.; Mrs. Carolyn (Keith) Onstad, Fox Lake, Ill.; Patricia and Deborah, both at home; three brothers, Donald, Howard and Robert, all of Polo, Ill.; one sister, Mrs. Goldie (Kenneth) Davis, Tower, Minn.; and five grandchildren.

Funeral services will be held at 2 p.m. on Friday at the McNabb Funeral Home in Polo, Ill., where friends may call after 3:00 p.m. on Thursday. Interment will be in Reed Cemetery at Polo, Ill.

MARY DRUCE HOFFMAN

Mrs. Mary Druce Hoffman, 58 years old of Millburn, Ill., passed away at 7:15 a.m. on

Cub Scouts Enjoy Christmas Party

Cub Scouts of Pack 84 enjoyed a Christmas party given by their den mothers, Mrs. Hilda Huntington and Mrs. Dorothy Golden, at Mrs. Huntington's home. The boys received gifts. Along with the games played, they all sang Christmas carols.

Pre-Christmas Dinner

Hilda and Al Huntington were hosts for a pre-Christmas dinner earlier last month. Thirty friends, including the Bill Kaubs, Jerry Whites, Marty Golden, and the Ollie Uphams attended. Their other guests were from Waukegan and Libertyville.

Home for the Holidays

Ronnie Kaufmann, has been home from Fort Hood, Texas since Dec. 22, and will be going to Fort Dix when he leaves on January 6. Soon after that he will be going over to Mannheim, Germany, where he will be a mechanic in the motor pool and work on tanks. His brother, Tom, has been in Germany for some time, and is scheduled to come home around February 26.

Sympathy Notes

Heartfelt sympathy is extended to the family of Al Smith. He was truly "Mr. Wonderful." He was a young man you couldn't and wouldn't say "no" to if he asked you to help him. He, himself, never said "no" when his help was needed. He was on his way home from delivering Christmas baskets when he had the accident which caused his death. May the knowledge that others share their grief, help console his family.

Condolences are expressed to Mrs. Pearl Nichols on the death of her husband, George, who passed away a week before Christmas. His death was a shock to his friends and neighbors, too. He underwent surgery on November 6 and had planned to go back to work on Dec. 20.

Mrs. Nichols thanks everyone for their assistance and words of sympathy.

Men's Club Meeting

The Lindenhurst Men's Club will have their first meeting of the new year on Thursday, Jan. 5 (tonight) at 8:15 p.m. Jim Sweeney, the newly elected president, invites all men in Lake Villa township to attend. He is a young man, new to the village, and ambitious to get new members. Come out Thursday and get acquainted with Jim and the Men's Club.

George John Nichols

George John Nichols, 55, of 1810 E. Sprucewood Lane, Lindenhurst, died Sunday, December 18, at his home, of a heart attack.

He had lived at Lindenhurst for the past 10 1/2 years and was a truck driver for Trans-American Freight Lines for the past 21 years.

Surviving are his widow, Pearl, three brothers, Edward, Clarence and Bernard, one sister, Mrs. Walter (Dorothy) Moberley, all of Chicago.

Funeral services were at Walter DeVrient Funeral Home, 2708 North Western Avenue, Chicago. Burial was in St. Joseph Cemetery in River Grove.

Pack Meeting

Cub Scouts of Pack 84 received their awards at a meeting held two weeks ago. Steve Paige received a sil-

ver, and a gold arrow; Pat Mauck, a silver arrow; Mike Kovanda, silver arrow; Eddie Halvey, gold arrow; Danny Huntington, gold arrow; Ricky Coles, one year pin; Jeff West, bear badge; David Dutcher, bobcat pin and wolf badge; Rocky Olsen, bobcat pin; Frankie Anderson and Bill Schesniak, wolf badges; Shawn Chapman, wolf badge and gold arrow; Mike Golden, wolf badge and gold arrow; Danny Stahl, gold arrow.

Santa Claus gave each boy a cub mobile (pinewood-ear) to make for their pine wood derby race to be held at a future date. The boys are asked to take their time and make a car that may win the race for them.

The boys are also working on a project of making a scrap book of humorous cartoons and jokes that will later be given to an adult or children's hospital.

The children received refreshments served by the parents and children.

Monday Night Tavern

December 26

The Antioch Bowl, leading the league, closed out 1966 by beating Furlan's Tap 2 games. "Wiggy" Bolton rolled a fine 585 series for Furlan's.

Larry Hendricksen rolling for Open Door Tavern led all of the league bowlers, 167-200-221-558, but his team could only grab 1 game from the Red Arrow Tavern.

Brass Corners battled with The Angels for 3 games, with the Angels coming up with 2 wins.

Paty's Lounge continues to roll winning games, taking 2 from Cole's Tavern.

Shady Rest Tavern is back on the track with a pair of wins over Johnson's Resort. Kempf's Tavern dropped 3 games to Helvetia Hotel.

The standings as of Jan. 1:

	Won	Lost
Antioch Bowl	30	18
The Angels	27 1/2	20 1/2
Open Door	27	21
Red Arrow	27	21
Shady Rest	27	21
Brass Corners	26	22
Cole's Tavern	26	22
Helvetia Hotel	25 1/2	22 1/2
Furlan's Tap	25	23
Johnson's Resort	18	30
Paty's Lounge	16	32
Kempf's Tavern	13	35

Ski Slopes

Ready For Action

Holiday Park, Ingleside, has opened its winter activity program for the 1966-67 season.

The ski slopes at Holiday Park had their shakedown period last winter. They'll be open again this winter, with their 10-foot slopes designed with the beginning skier in mind. They are also excellent practice slopes for the experienced skier. A new ice skating rink has been installed which allows non-skiers to participate in an outdoor sport while friends and relatives have fun on the ski slopes.

Skiing is available every day and evening, 10 a.m. to 11 p.m. Even with no natural snow the snow machines will cover the slopes.

Experienced ski instructors are available whenever the slopes are open and the entire area is serviced by the Holiday Park Ski Patrol, an affiliate of the National Ski Patrol system.

Holiday Park also has a restaurant and cocktail lounge, available for refreshments.

RESOLVED FOR '67

To serve you better. To smile a little more.
To say, "Thank you," every time you shop A&P.
To try to have all the things you want. To be more helpful.
To keep giving you the most good food for the least amount of money.
To go on being the dependable store you can trust.
To continue to be fair and honest in pricing, labeling, and promises.
To show you again that at A&P, "WE CARE."
To keep these resolutions. Put us to the test.
We're determined to care even more in '67.
